Graphic Era University

Dehradun, Uttarakhand, India

Welcome to Graphic Era University

Graphic Era University is a renowned institution located in Dehradun, Uttarakhand. It is recognized for providing quality education, modern infrastructure, and excellent academic support. The university focuses on developing practical knowledge, technical skills, and leadership qualities among students so they can succeed in the global professional environment.

Courses Offered

Graphic Era University provides a wide range of academic programs designed to meet modern industry requirements. Students can choose from engineering, management, computer applications, life sciences, law, and hospitality programs. Popular courses include B.Tech, BCA, BBA, MBA, MCA, Pharmacy, Biotechnology, and several specialized technology programs such as Artificial Intelligence and Data Science.

Campus Facilities

The campus offers a vibrant learning environment with advanced laboratories, digital classrooms, and a large central library containing thousands of books and research materials. Students also have access to comfortable hostels, sports grounds, medical services, and multiple dining facilities. Various clubs and societies encourage students to participate in cultural, technical, and social activities throughout the year.

Placements

The university has built strong connections with leading companies and organizations across different industries. Students receive training in technical skills, communication, and professional development to prepare them for the recruitment process. Many graduates secure opportunities in well-known companies through campus placements and internships.
